3. Service in the Armed Forces shall not be considered an interruption of work for the purpose of computing total service credit for vacation purpose.
4. All hours worked in a bargaining unit position shall be credited to an employee for purposes of vacation entitlement, as specified in this article.

(b) Entitlements

1. Employees hired on or after July 1, 2016 will earn vacation time on a pro-rated basis during their first year at a rate of one-twelfth (1/12) of the annual vacation allotment per month. Wellesley Public Schools will allow members to use vacation time before it is earned. If an employee separates from service and has used vacation time that he/she has not earned, the non-earned accrual will be deducted from his/her final paycheck. New employees hired in the last quarter of the fiscal year (April 1st to June 30th) will earn vacation time of one-twelfth (1/12) of the vacation time allotment per month until their second fiscal year starting July 1st.

As of July 1st, all members will be credited for vacation based upon the following benchmarks.

<u>Service Periods</u>	<u>Vacation Leave</u>
One full-year of service	2 weeks + 2 days
5 full years	3 weeks + 2 days
10 full years	4 weeks + 2 days
20 full years	5 weeks + 2 days

As of July 1, members' vacation accrual will be updated to reflect all of the vacation time they will be eligible for within that benefit year (7/1 – 6/30). Upon separation from Wellesley Public Schools (WPS), members are only eligible to be paid for earned vacation time at the point of separation. If a member separates from WPS and had not reached the anniversary date for which the additional vacation time has been earned – the five, ten, and twenty-year anniversary, that additional week of vacation time will not be paid, as it has not yet been earned. If a member has used all of their vacation accrual prior to separation, including unearned time based upon their individual anniversary date, the district will deduct the used but unearned vacation time from the member's remaining compensation.

2. Employees hired prior to July 1, 2016:

Vacation time is earned in the months/year proceeding that in which it is taken:

Hire Date	Accrual Impact
7/1/14	<ol style="list-style-type: none"> 1. Earn 5 vacation days on 1/1/15 – the 6-month anniversary date 2. Earn 5 vacation days on 7/1/15 – the one-year anniversary date 3. Earn 10 vacation days (annual allotment) on 7/1/16

Upon separation from service:

Employees will be compensated for any vacation time left in their accrual bank that was earned in the prior fiscal year and awarded July 1. Employees will also be compensated for vacation earned during the current fiscal year at the rate of one-twelfth (1/12) of their vacation eligibility for each month worked between July 1 and their date of separation.

3. Employees hired after July 1, 2016:

Vacation time is earned on a pro-rated basis the first year of employment. Employees will be allowed to use vacation time prior to earning it:

Hire Date	Accrual Impact
7/1/17	12 days (annual allotment) placed in vacation accrual bank on 7/1/17

Upon separation from service:

Employees will be compensated for any vacation earned during the current fiscal year at the rate of one twelfth (1/12) of their vacation eligibility for each month worked between July 1 and their date of separation. Any days already used will be deducted from this payment.

(c) Use of Paid Vacation

1. Paid vacations shall be granted by the COMMITTEE at such time as, in its opinion, will cause the least interference with the performance of the regular work of the Department, but taking into account the preference of the individual employee. A dispute as to whether or not the COMMITTEE unreasonably denied a request to take a vacation at a given time shall be subject to the grievance procedure. Supervisors shall respond to vacation requests with approval or denial within five (5) working days of employees' written request for vacation.

2. Vacations must be taken in the twelve (12) months following the July 1 on which they are awarded and shall not accumulate from vacation year to vacation year except in the case of an employee who has not been employed for one full year and hired on March 1st or later. In such case, the employee with his/her supervisor's approval is allowed to reserve his/her vacation time for use during the following summer. A timeline to use eligible vacation needs to be submitted to his/her supervisor for approval by May 15th.

3. Employees shall not lose their vacation time due to the COMMITTEE'S failure to grant such vacations.

4. Salaries shall not be paid in lieu of vacations except in extreme emergency and with the prior approval of the COMMITTEE.

5. Employees who separate for a reason other than disciplinary and poor performance shall be compensated for vacation earned during the current fiscal year at the rate of one twelfth (1/12) of their annual vacation eligibility for each thirty (30) calendar days of service between July 1 and the date of termination/separation.

6. When employment is terminated through death, the estate of the employee, through the executor or administrator, shall be paid for vacation benefits.

ARTICLE 12
Sick Leave

In the event of a bona fide personal and non-service connected sickness or injury (for which no compensation is received under Workers' Compensation) employees regularly working twenty (20) or more hours per week shall be eligible for time with pay in the amount appropriate to the circumstances of each individual case, in order that their income may be maintained during such period of bona fide incapacitation, on the following basis:

(a) On July 1 of each year employees will be credited with fifteen (15) sick days. In the first year of employment, employees will be credited with one sick day per month worked. Employees may use one such day each year for personal business with the supervisor's approval provided notice is given at least forty-eight (48) hours in advance. Unused sick leave days may accumulate from year to year up to a maximum of one hundred eighty (180) days.

All hours worked in a bargaining unit position shall be credited to an employee for purposes of sick leave entitlement.

(b) In the case of exceptional circumstances, i.e. critical family illness, additional allowances may be granted on recommendation of the Superintendent and approval by the COMMITTEE in determining whether such extended allowances shall be granted, the past absences of the employee, the length of continuous service with the Town and the quality of the employee's performance and record shall be taken into account. Consideration shall also be given as to what portion of the allowance shall appropriately be at full pay and what portion at part pay. Vacation period shall not be substituted for sick leave except in unusual circumstances and with the prior approval of the COMMITTEE.

(c) Employees shall notify their supervisor on the first day of absence due to non-service connected sickness or injury, stating the nature of the sickness or injury, time expected to be incapacitated, and when they expect to return to work.

(d) The COMMITTEE may make such inquiry regarding any absence as the COMMITTEE believes necessary to determine the cause of the absence and whether its duration was reasonably justified. Such inquiry may require a medical examination or a medical note by a physician selected and paid for by the COMMITTEE.

(e) All members who have at least twelve (12) months service will be granted three (3) personal days-on each July 1.

Unused personal days, up to one-year's earned personal day accrual, may be carried forward. All carried forward personal time balances shall be used only during non-student days.

(f) Employees are required to give forty-eight (48) hours or more notice of intended use of personal leave unless waived by his/her supervisor and the response to this request shall be provided to the employee promptly. Approval for personal day use by the supervisor may be denied in the event of a poor attendance record. Approval may not be unreasonably withheld.

(g) Employees will be granted a maximum of fifteen (15) days absence per school year without loss of pay for illness in the immediate family which shall be defined as spouse, parent, child, brother, sister, or any other relative who is a permanent member of the secretary's household or any other person with whom the secretary makes his/her home. Part-time secretaries shall be granted such benefit on a prorated basis. A leave of absence taken for this reason shall be charged against any current sick leave then standing to the credit of the secretary taking such leave or charged against earned vacation days or personal leave at the discretion of the secretary.

(h) Upon the death of an employee, any unused, accumulated personal leave shall be paid to that employee's estate.

(i) The Administration will supply WEPSA members with updated accruals (sick, personal, vacation and no pay) annually on or before August 15th. Accrual balances will be as of July 1st of each year.

(j) The parties agree to allow bargaining unit members to voluntarily donate up to four (4) earned sick days annually per each bargaining unit member who has exhausted sick leave and is suffering from a severe illness or catastrophic injury. Donations will be deducted from bargaining unit members within the same fiscal year. This will be known as the "WEPSA Sick Bank". If a member is going to exhaust his/her available sick time because of long-term illness, surgery, or other extenuating circumstances, the bargaining unit member may apply for additional days from the WEPSA Sick Bank. The bargaining unit will be solicited for donations on a voluntary basis, which will be recorded and tracked by the Human Resources Department.

The sick days will be deducted from each member who donated on a prorated basis, as needed basis until the donations are exhausted. In the event that members offer to donate more days than needed, members will only have sick days deducted based upon actual need, which will be recorded through AESOP as Sick-Bank Donations. All requests for additional sick days will be reviewed on a case-by-case basis by the Superintendent

or his/her designee. Approval should not be withheld under unreasonable circumstances. The Superintendent or designee at his/her discretion may allow more than four (4) days per bargaining unit member to be donated to a member.

This provision is not intended to prohibit the school department from granting additional sick leave at its discretion.

This vesting of unused sick days is intended solely as illness protection and does not constitute an obligation on the part of the Town to buy back unused sick days at the time of separation from services.

(k) The Superintendent shall determine and grant employees what he/she considers to be the appropriate and reasonable allowance for the following periods of continuous service:

Service Period Allowance	(at full pay)
Less than 3 months	up to 5 days
3 to 6 months	up to 10 days
6 to 12 months	up to 15 days
1 year or more	up to 30 days

For employees with one (1) year or more of service, said thirty (30) days includes the first fifteen (15) days provided for in Section (a) of this article.

ARTICLE 13

Jury Pay

The COMMITTEE will compensate employees their regular salary for the time that they serve on jury duty, extended jury duty, grand jury, and federal jury. Any compensation received by the employee for jury service will be signed over to the Town. A certificate detailing the dates of service and amount of compensation received (if applicable) will be submitted by the employee to the payroll department upon completion of service.

ARTICLE 14

Funeral Leave

Employees will be granted leave of absence with full pay for not more than five (5) days on account of the death of his/her father, mother, brother, sister, husband, wife, child, son-in-law, daughter-in-law or parent-in-law, and not more than three (3) days on account of the death of a grandparent, grandchild or any other relative or friend for whom the employee is responsible for making funeral arrangements, except in such cases as are covered by the following sentence: Pay for absence not to exceed five (5) days will also be allowed on account of the death of any other person with whom said employee made his/her home. Upon request of an employee who has suffered a death in his/her

family, the bereavement leave period may be extended by the Superintendent or by whoever is authorized to act in his/her absence. Attendance at funerals of individuals not included in the aforementioned will be considered part of personal leave usage.

Funeral leave may be granted on the recommendation of the Superintendent of Schools and approval of the Assistant Superintendent when the employee has had a close, family-like relationship with the deceased person, although such deceased person may not be a member of the immediate family in the relationship above described.

ARTICLE 15

Employees failing to apply for continued membership in the Plan will be dropped from the Plan.

4. Upon the return from a parental/maternity Leave, an employee shall be restored to his/her previous or similar position with the same status, pay, length of service credit and seniority as of the date of his/her leave, unless during the period of his/her leave other employees of equal length of service or similar position have been laid off due to economic conditions or other changes in operating conditions affecting employment. In that event the employee will retain preferential consideration for another position to which he/she may be entitled as of the date of his/her leave.

ARTICLE 20

Employees upon request shall be given an opportunity to review such personnel records and may have an Association representative present for such review. Should an employee believe her personnel record contains inaccurate information; such an allegation may be made a subject of the grievance procedure. The employee will also have the right to submit a written answer to such material and her/his answer shall be reviewed by the Superintendent and attached to the file copy. Employees have the right upon request to copy any material contained in the personnel file.

ARTICLE 21
Seniority

(a) For the purposes of this article, seniority shall be considered as the length of an employee's continuous full-time service with the Wellesley Public Schools. The Association will be provided an updated seniority list on July 1 of each year showing name, classification, step, date of hire, years, and hours worked since the previous July 1 for each member of the bargaining unit, if requested by the Wellesley Education Professional Support Association Unit B. Continuous service means the most recent period of unbroken service in the Wellesley Public Schools, provided that military service, or layoff as hereinafter defined shall not be considered a break in continuous service for the purposes of establishing a seniority rating. The first six (6) months of employment shall be considered a probationary period. No controversy covering the tenure of employment of a probationary employee shall be the matter of a grievance.

Employees involuntarily bumped into a position with a lower salary grade will be frozen at the current rate of pay until the salary surpasses the current rate of pay for the lower position.

Seniority will be calculated in terms of hours of service in accordance with the preceding paragraph. Hours of overtime shall be excluded from the computation of seniority.

Ties in the length of service shall be resolved by lottery.

(b) For the purpose of this Agreement, the term “layoff” means a reduction in the number of employees in a given job category in the Wellesley Public Schools due to a lack of work or funds for the carrying out of any work project in such job category.

1. In the event of a layoff, the least senior employee in the job category affected by the layoff shall be laid off first. Probationary employees shall be laid off first unless there is no other employee having a seniority rating in such job title qualified to perform the requirements of the probationer’s job. If there is no such employee available, the probationary employee shall continue to be employed on such job. Such laid-off employees having a seniority rating shall have the right to bump the least senior employees in the same or lower numerical labor grade, having less seniority, provided they are qualified to do the work of the persons such laid-off employees seek to bump. Indiscriminate bumping shall not be permitted and bumping by any employee shall be limited to a single bump. Employees must be willing to work the hours of the employee bumped.

If more than one person is being laid-off, the most senior person being laid-off has first choice to bump the least senior employees, having less seniority. The most senior person may temporarily decline to bump in which case the next most senior person has the option to bump or temporarily decline. This process continues until one of the people being laid-off bumps a least senior employee, having less seniority. At that time, the most senior person being laid-off may bump the least senior employees, having less seniority, (including a person who has bumped into a position) or, again, may temporarily decline. This process continues until everyone who is eligible to bump a least senior employee has exercised a final opportunity to bump or to decline to bump. An employee who chooses not to exercise bumping rights will be considered laid off for purposes of unemployment compensation.

2. Laid-off employees shall have recall rights for a maximum period of two (2) years. Employees having less than two (2) years service but more than one year of service prior to layoff shall have recall rights for a maximum period of one (1) year. With respect to employees having less than one year of service prior to layoff, their recall periods shall be equal to the number of months of their service in excess of six (6) months.

3. When a vacancy occurs, the job will be posted pursuant to ARTICLE 24. Should the vacancy not be filled via the bidding process, laid off employees of the same job category shall then be given the first opportunity to return thereto in the order of their seniority. Any person refusing or failing to exercise such recall opportunity with ten (10) working days following notice sent to him/her by

the COMMITTEE by certified mail at his/her last known place of residence appearing on the records of the Wellesley Public Schools shall be placed at the bottom of the recall list. Should an employee refuse a second recall, he/she will forfeit all further recall rights. Such person exercising recall rights shall have two (2) additional days to report to work.

4. In all cases of layoff and recall following a layoff, seniority shall be the deciding factor among employees physically fit, qualified and competent through knowledge, skill and efficiency to perform the available work. The determination of comparative qualifications is the responsibility of the COMMITTEE, but in carrying out this responsibility there shall be no discrimination among employees.

(c) An employee shall lose his/her seniority for the following reasons:

1. He/she quits employment with the school or is transferred to a position not covered by this Agreement.
2. He/she is discharged and the discharge is not reversed through the grievance procedure set forth in this Agreement.
3. He/she is absent for three (3) consecutive working days without notifying the COMMITTEE. Exceptions may be made only with the consent of the COMMITTEE. After such absence, the COMMITTEE will send written notification to the employee at his/her last known address that he/she has lost his/her seniority, and that his/her employment has been terminated.
4. If he/she does not return to work when recalled from layoff as set forth in the recall procedure, exceptions shall be made only with the consent of the COMMITTEE.
5. Failure to return from Sick Leave and Leave of Absence.
6. He/she retires.

A recall list of laid-off employees shall be compiled in order of seniority and a copy furnished to the ASSOCIATION within thirty (30) working days after the layoff has been accomplished. The ASSOCIATION shall be furnished copies of all "bumping" lists.

(d) Where the words are used in this Agreement, "Job Group" refers to the alphabetical designation assigned to the various groups of job titles in APPENDIX A and "Job

Classification” refers to each of the job titles recognized in the salary schedule set forth in Appendix A attached hereto.

ARTICLE 22

Grievance Procedure

(a) A grievance is an employee’s expressed feelings of dissatisfaction presented in writing, concerning aspects of her employment or working conditions arising out of the terms and conditions of this Agreement which have not been resolved to the employee’s satisfaction through informal discussion with her immediate superior. Such grievances may relate to the interpretation or application of, or compliance with any of the provisions of said Agreement. The ASSOCIATION shall advance grievances of the employees to the COMMITTEE.

(b) The COMMITTEE and the ASSOCIATION expect employees and supervisors to make a sincere effort to reconcile their differences. The following procedures are established for settlement of grievances:

1. The employee’s grievance must contain the following information:
 - a. A statement of the grievance, which cites that part of the Agreement, which has been violated;
 - b. A statement of remedial action of relief sought;
 - c. Evidence (documentary, if available) to support the grievance.
2. The employee or the ASSOCIATION representative must notify his/her supervisor within fifteen (15) working days after the occurrence of the matter which gave rise to the grievance. The supervisor will meet with the aggrieved employee and his/her ASSOCIATION representative and make his/her decision within five (5) working days after the grievance hearing, unless it is mutually agreed by the participants that additional time will be allowed.
3. Should the grievance remain unsettled, it must be presented to the Superintendent or his/her designated representative within five (5) working days after the decision of the Supervisor; otherwise the matter will be considered resolved. The Superintendent or his/her designated representative will meet with the ASSOCIATION representative and make his decision within five (5) working days after the grievance hearing, unless it is mutually agreed by the participants that additional time to answer be allowed.
4. Should the grievance remain unsettled, a meeting with the School Committee may be requested ten (10) working days after the decision of the Superintendent; otherwise the matter will be considered resolved. The School Commit-

tee and/or its authorized representative, the employee and the employee's representative will meet within fourteen (14) days after the presentation of the grievance for further discussion thereof in an attempt to dispose of such grievance. A decision will be made within fourteen (14) working days after said hearing.

5. Within fifteen (15) working days after the decision of the School Committee under the foregoing steps of the grievance procedure, either party may request arbitration of such grievance.

(c) Arbitration proceedings shall be conducted by an arbitrator selected under the rules and regulations of the American Arbitration Association. The decision of the arbitrator shall be rendered within fifteen (15) days of the completion of the arbitration hearings, but such period may be extended by mutual agreement of the parties hereto. The award of the arbitrator shall not have the right to add to, detract from, or in any way alter the provisions of this Agreement. Furthermore, the arbitration award shall be one such as it permitted by law and the regulations and policies of the Commonwealth of Massachusetts applicable to the COMMITTEE and the employees and the ASSOCIATION.

(d) The grievance as stated in the Request for Arbitration shall constitute the sole and entire subject matter to be heard by the arbitrator unless the parties agree to modify the scope of the hearing.

(e) No employee shall have the right to require arbitration that right being reserved to the COMMITTEE and the ASSOCIATION.

(f) The COMMITTEE will make available, upon request, such records, which the parties agree, are pertinent to the arbitration and are not, in the opinion of the COMMITTEE, of a confidential nature.

(g) Each party shall bear the expense of preparing and presenting its own case. The costs of the arbitrator and incidental expenses mutually agreed to in advance shall be shared equally between the two parties.

ARTICLE 23

Classification and Rates of Pay

(a) Classifications and rates of pay effective July 1, 2019 shall be as set forth in APPENDIX A attached hereto and made a part hereof.

(b) A new employee shall advance one-step rate at the end of his or her first six (6) months of employment automatically, with the evaluation to follow in a timely manner, but lack of an evaluation should not prevent a step increase.

(c) Employees who have a satisfactory performance record shall be eligible for a step-rate increase on their annual anniversary date (the year to be counted from the date of the latest increase other than the general increase) but not more, until the maximum for their job is reached, but lack of an evaluation should not prevent the step increase.

(d) Employees whose classifications have been upgraded shall move to the new group at the same step and shall retain their anniversary date. When an employee is promoted to a higher rated job, he or she shall enter at the minimum rate of the job or at the step-rate of the job next above his or her rate of the position to which he or she has been promoted, whichever is the higher. Such employee upon being promoted shall be placed on a step, which would result in a minimum increase of ten dollars (\$10.00) per week. At that time, he or she may further receive a one-step increase upon the recommendation of the Superintendent or his designated representative. The employee's anniversary date will be one-year from the date of the promotion.

(e) Employees on the maximum step of their classification who are involuntarily transferred to a lower classification (transfer includes bumping) shall be frozen until such time as the maximum of the lower classification equals or exceeds the frozen salary. Employees not on the maximum step who are involuntarily transferred (transfer includes bumping) to a lower classification shall be placed on the step closest to but not higher than their present salary, but their salary shall be frozen until such time as the salary of the lower classification equals or exceeds the frozen salary.

Employees who transfer voluntarily to a lower rated job shall enter it at their present rate or at the maximum of the job, whichever is lower.

(f) Whenever a secretary (Unit A or Unit B) in a higher grade is absent for any reason for five (5) consecutive days or longer and a secretary in a lower grade (Unit A or Unit B) has been designated by the Director of Human Resources to serve as the acting secretary in a higher grade during her absence, the secretary providing the coverage shall be compensated on the salary schedule (Unit A or Unit B) of the covered position at her current step for all time spent covering the higher position.

(g) The COMMITTEE shall maintain current and accurate written job descriptions of the jobs or positions in the bargaining unit, describing the essential characteristics and

general duties of the jobs. The descriptions shall not be interpreted as complete or limiting definitions of any job or position and employees shall continue in the future, as in the past, to perform the duties assigned by their supervisors, or other administrative authority. Whenever a new position is established, or the duties of an existing position are so changed that in effect a new position is created, the COMMITTEE shall allocate such new or changed position to its appropriate group. Employees may request a review of the written job description to verify the accuracy and group classification of their job no more than once in twelve (12) months.

Reclassification:

(h) Effective July 1, 2021, if an Employee or an Administrator thinks a position should be reclassified, the following procedure should be followed:

1. the employee should write a complete description of the current duties;
2. the employee should specify why the position should be reclassified;
3. the supervisor and Director of Human Resources should review the description of duties and attest to its accuracy;
4. the request for reclassification along with the job description, as well as any additional supporting data, should be submitted to the Assistant Superintendent for Finance and Operations, who shall render a decision within fifteen (15) working days of his receipt of the request;
5. if the decision in step (4) is not satisfactory to the employee the matter should be referred to an ad hoc job evaluation committee consisting of two appointees of the administration and two appointees from the Association, excluding, however, the requesting parties. The members of this evaluation committee should familiarize themselves with job evaluation techniques and shall, as a body, render a decision on the matter within fifteen (15) working days of their date of organization. The decision of this committee shall be in writing and directed to the requesting party, the Association, and the Superintendent of Schools.
6. the use by an Employee of the procedure outlined above shall be in lieu of all other remedies, including the grievance procedure, arbitration, and legal action, and shall not constitute a waiver of the School Committee's right to define job expectations at its sole discretion.

(i) Each employee's work performance and attendance record shall be reviewed with her/him by her/his immediate supervisor at least once each year prior to August 15th. Upon completion of such review, it shall be signed by the employee and the employee's supervisor and forwarded to the Human Resources Office for inclusion in the employee's official personnel file.

(j) The Superintendent or his designee may authorize an entrance rate higher than the minimum rate for a position.

(k) Employees who complete the following years of continuous service with the Town of Wellesley shall be paid immediately following the anniversary date of such service to the Town as follows:

Effective July 1, 2019:

(l) Employees who complete the following work years of continuous service with the Town of Wellesley shall be paid on their anniversary date of such service to the Town as follows:

(m) All members will be paid by direct deposit with electronic pay stub.

ARTICLE 24

Employees wishing to be considered for such posted vacancy shall apply through School Spring. Request for consideration received after the end of the posting period may be considered at the discretion of the COMMITTEE if no bids from qualified employees are received during the posting period. The COMMITTEE agrees to give preference to qualified employees within the bargaining unit but in the event there are no bids from qualified employees, the COMMITTEE may fill the vacancy as it determines appropriate, provided there is no employee on recall.

(b) Probationary employees shall be ineligible to bid but may be considered if there are no qualified bidders. Employees, who have received a classification change through the bid procedure, shall be ineligible to bid until after twelve (12) months of such classification change.
